

## Playing Cards

### Ace of Clubs:

You can set an example for others by being self-directed. Now is the time for making plans, and moving forward with your goals.

### Ace of Hearts:

It could be time to look for a new relationship, or maybe for a new start to an old romance. You have a naturally attractive personality. You just have to be ready to commit to a relationship.

### Ace of Spades:

You feel apart from your surroundings, and are ahead of the others around you. But now is a time where life is moving in new directions, and things are balanced between all and nothing.

### Ace of Diamonds:

You are capable of having good financial sense, and you will need it to take advantage of new opportunities. You will get a new start with money, but you need to remember how to save what you have now for later on in life.

### 2 of Clubs:

Your plans take time to develop but you will see them through. You can be very good at expressing yourself, and work well with others.

### 2 of Hearts:

This card is a sign of a healthy partnership. Patience is required concerning romance, and you will need some give and take with love. If this is a platonic relationship it could turn into something more.

### 2 of Spades:

Let go of old baggage and avoid bad relationships. You will need to be strong as changes occur, and still be able to work with others to accomplish your goals.

### 2 of Diamonds:

Make sure not to spend money that you will need later. Patience & diplomacy are required with money. There is a risk of becoming too dependent on others around you, but it is also a good time to look for work or to change careers.

### 3 of Clubs:

You are having a busy time at work, and it can be hard to manage life at the same time. You know you need some help to succeed with your goals, and sometimes just wish you could make a career change.

### 3 of Hearts:

You have more than one option here and can be content with all of your relationships. Now is the time to fall in love, and hope for deeper relationships.

### 3 of Spades:

There isn't enough time to finish everything you would like to get started. It might be time to go out with the old ways of doing things and in with the new. You just need a little help to make the changes you would like to see.

### 3 of Diamonds:

You could use a little help to manage your bills. There are more than a few opportunities out there for you. It's possible you could even land a new job if you are ready to change careers. Keep your fingers crossed for a raise or a promotion, and don't be afraid to ask for help.

### 4 of Clubs:

You enjoy hard work, and being of service to others. And if you just stuck to your plans, you could finally be proud of yourself.

#### 4 of Hearts:

You are having difficult times with a lover, and it is hard to find a way to work it out. In fact it seems like you are doing all of the work. Sometimes you just have to stop before saying what's on your mind.

#### 4 of Spades:

You have a real desire for direction in life, and you need to take it. Hard work is required to prevent a weakness from falling through. Make sure you are not leaving anything incomplete.

#### 4 of Diamonds:

Money has only come to you through a lot of hard work, and you still need to stretch every buck. You deserve more money than you are making, and are accomplishing more than you are given credit for.

#### 5 of Clubs:

You are ready for a change and need to expand your horizons. Rethink what it is you want to do, and don't be afraid to try something new. Right now is a good time to enjoy new goals and interests.

#### 5 of Hearts:

There is plenty of freedom and happiness in your relationships. You are surrounded by unconditional love, and know how to enjoy platonic friendships. But you have to be careful taking any of them too far.

#### 5 of Spades:

There are sudden unexpected changes coming. You have to be flexible to do whatever you need to do to handle them. If you are getting restless waiting, get ready for an escape from the ordinary.

#### 5 of Diamonds:

Be open to new opportunities. It's a good time to invest in yourself, so spend money on what you want. Just don't let it go to waste.

#### 6 of Clubs:

Try and find things to appreciate, and give yourself a purpose. Bring harmony back into your life by working with your family members to heal relationships.

#### 6 of Hearts:

You have deep love for everyone in your family. And being responsible for more than just yourself means sacrificing yourself for your family. This can give you happiness even when life is hard.

#### 6 of Spades:

This card is a warning not to be self-centered. Don't get anxious over what's bugging you. Think of these feelings like guides to what is really important. This means changes concerning your whole family.

#### 6 of Diamonds:

You are concerned less about your own needs and more about the needs of your family. Right now this comes down to the bottom line. So use your money wisely, and care for the ones you love.

#### 7 of Clubs:

You are able to reason your way through your problems. Done correctly this can be a very slow process. Overcoming obstacles is very often a moral victory, rather than just a physical one.

#### 7 of Hearts:

If you are depressed about a relationship or doubt that someone cares for you then you need to realize that this is a temporary situation. Now is a time for peace and quiet and to remember to always stay positive

#### 7 of Spades:

Sometimes you feel surrounded by obstacles, skeptical anything will work out. These kinds of changes force re-evaluations in your thoughts. So remember to stay positive.

#### 7 of Diamonds:

You are finding yourself thinking about money more than you want to. You just don't feel like you have enough. It might be time to stop feeling like the cup is half empty.

#### 8 of Clubs:

Make the most of what you have, and your financial goals will soon pay off. I see you enjoying what you are doing, maybe even working for yourself.

#### 8 of Hearts:

Don't try to be the center of the family. Instead remember that you are all equals. So don't let financial matters involving your loved ones stop you from having strong and healthy relationships.

#### 8 of Spades:

Troubles with work because you don't enjoy your job or are you having problems with your employer will soon melt away. Be ready for some financial changes and keep up the solid effort.

#### 8 of Diamonds:

Get ready to enjoy material success. You have good opportunities in the future for financial advancement. Be careful not to become greedy and you will enjoy life even more than you think is possible.

#### 9 of Clubs:

Remember that to feel good about what you do means following your conscience and seeing value in your hard work. You are at your best when you are busy helping others with their needs.

#### 9 of Hearts:

Don't be afraid of disappointment by becoming emotionally attached. By helping others you can become truly fulfilled.

#### 9 of Spades:

Accept life on its terms and don't wait for someone else to help you. You need to change your approach by taking responsibility for yourself. Then maybe you will be there to help someone else.

#### 9 of Diamonds:

You are generous by nature, but expect too much in return. The joy of fulfillment is the only happiness you really need from helping others.

#### 10 of Clubs:

This is the beginning of something big. Goals will rapidly develop, but you will need to think for yourself to make some very important decisions. So look at the big picture before you set out to do anything specific.

#### 10 of Hearts:

You can gauge the success of your romance by asking yourself if it is just another relationship or if it is true love. Don't worry if it is not because there are new love interests waiting for you. You just need to be self confident enough to see them.

#### 10 of Spades:

Major changes are making you feel like it's time to start over. Anything can happen, and the best way for you to move through it all is to accept whatever comes your way

#### 10 of Diamonds:

It's time to be ambitious because there are good financial opportunities all around you. You are going to be a success with business, and you are up for a raise or maybe even a promotion in the future.

#### Jack of Clubs:

Your quick thinking will get you out of any uncomfortable situations. Beyond your years, you have had many ideas worth using. The dreams you had in the past are still real for you now.

Jack of Hearts:

You need to take action for your ideas and inspiration to be realized. It is a little too soon to be falling in love right now, but as long as you are responsible it may happen down the road.

Jack of Spades:

Don't be a rebel without a cause. Even if it is time to initiate changes, you have to be careful taking action into your own hands. Right now you really just need to be listened to, so find someone close and talk through it.

Jack of Diamonds:

You need help financially. This could come through a new job even if it is one you don't really like. It could also come through receiving some money, but not from gambling. The best thing you can do right now is learn how to budget.

Queen of Clubs:

It is hard work sometimes just to express your individuality. Don't be too quick to pass judgment on those around you, but remember to listen to your intuition when making your decisions.

Queen of Hearts:

A need to feel important and loved is reciprocal. You just need to become more receptive to communication from others around you.

Queen of Spades:

You are able to make your own rules most of the time, and are a true individual. You try hard not to be judgmental, and can always find ways to make the situation suit your mood.

Queen of Diamonds:

You are independent, and you live by your own principles. Relationships and money might seem like a dangerous combination, but they are also very romantic. So keep your eye out for someone new because they might just be a match.

#### King of Clubs:

Creative and hardworking, you are business driven. People find you respectable, and you'll become something of an authority in your field.

#### King of Hearts:

It may be time to settle down. This person could actually be the 'one'. Whether you are in love, or the object of someone's affection, it is time to think seriously about where this relationship will go.

#### King of Spades:

Don't jump to conclusions, or pass judgment prematurely. If you want to cause some change then the best approach is not to be aggressive.

#### King of Diamonds:

You have created a life for yourself, and are becoming financially secure. Take initiative when you can with your finances, and it won't hurt to ask for help from others.
